

REMARKS/ARGUMENTS

Claims 1-12 are pending in the application.

Applicant appreciates Examiner's acknowledgement of allowed claims 1-6 and allowable subject matter in claims 8-12.

Claim 7 has been cancelled. Claim 8 has been amended in response to Examiner's observations (and incorporates Examiner's suggestions with respect to claim 7). Claims 9-10 are dependent upon claim 8. Claims 11 and 12 have been rewritten and put into independent form per Examiner's observations.

Please charge Deposit Account for one-month extension of time. Applicant believes no fee is due for the additional independent claim. If a fee is due, Examiner is authorized to charge Deposit Account for additional fees.

The Commissioner is hereby requested and authorized pursuant to 37 CFR §1.136(a)(3), to treat any concurrent or future reply in this application requiring a petition for extension of time for its timely submission, as incorporating a petition for extension of time for the appropriate length of time. Please charge any additional fees which may now or in the future be required in this application, including extension of time fees, but excluding the issue fee unless explicitly requested to do so, and credit any overpayment, to Deposit Account No. 50-4019.

Applicant believes he has addressed the Examiner's concerns. A Notice of Allowance is earnestly requested.

Respectfully submitted,
